Telos Blockchain Network – Arbitration Parameters Schedule

The following schedule documents the initial Arbitration Parameters Schedule used to determining the base fees, number of arbitrators to be assigned to various types of Cases, and Small Claims limit amount. It is intended to be updated periodically by proposal of a new Schedule and a vote of 2/3+1 Block Producers to accept the proposed schedule.

Small Disputes Limit: 1,000.0000 TLOS

Maximum Number of Elected Arbitrators: 21

Claim Class	Value Threshold for 3 Arbitrators (TLOS)	Arbitration Filing Deposit (TLOS)	Arbitration Minimum Fee (TLOS)	Time for Respondent to Provide Response
